

AGENDA

Event	ECC Strategy Roundtable: Risk, Innovation & the Road Ahead
Date	Wednesday, 25th November
Time	09:00-12:00 GMT
Location	SAP The Scalpel, 52 Lime Street, London, EC3M 7AF

Time	Description/Topic
09:00-09:30	Arrival tea/coffee & pastries
09:30-09:40	Welcome and introductions A quick introduction and a chance to hear where everyone is on their SAP journey.
09:40-10:00	Where are you now? An open discussion around the challenges, pressures and priorities shaping your current ECC strategy.
10:00-10:20	What are your options? Explore the different paths available, from optimising ECC to preparing for or moving to Cloud ERP S/4HANA.
10:20-10:40	Innovation in and around ECC A look at where organisations can continue to invest and innovate while ECC remains in place.
10:40-10:50	Refreshment break
10:50-11:20	Customer case studies Hear from the experiences of a leading manufacturer of hydraulic pumps, motors and systems and a leading UK kitchen manufacturer for independent retailers on their journeys from ECC to S/4HANA, alongside a leading producer of sustainable cellulose films that has chosen to remain on ECC.
11:20-11:45	What works best for your business? Discuss how risk, cost, appetite for change and business priorities should shape the roadmap.
11:45-12:00	Key takeaways & close
